Venue

Venue Choice

Based on your event preferences, I would recommend the Cool SoMa Gallery located in San Francisco for your AI Art event. The venue is spacious and elegant, with natural light and minimalist decor that can give a relaxed and classy vibe to your event. Additionally, the venue is kid-friendly and can accommodate up to 80 guests, within your budget of \$5000. However, please note that the venue does not allow loud music/dancing, open house, smoking, open flame, or late-night parties. You can check out the venue at <https://www.splacer.co/venue/cool-soma-gallery>. Let me know if you have any other questions or if you would like me to book the venue for you. Your event ID is thirsty-finch-dig.
