Venue Choice

Based on your requirements, I would recommend the Versatile, sunny event room in North Beach in San Francisco. It has a capacity of 80 people, within your budget of $500, and has a relaxed and classy vibe. The open floor plan with wooden floors and full-length bar will be perfect for an AI Art event. It is also equipped with tables and has a backyard. Please check out the link for more details: https://www.splacer.co/venue/versatile-sunny-event-room-in-north-beach
